

PD DR. PHILIP ALEXANDER FURLEY

Date of birth:	December, 22nd 1981	Address:	Maarweg 31	
Place of birth:	Tübingen, Germany	Zip code/City:	50933 / Cologne	
Nationality:	German	Country:	Germany	
	British	Phone:	+49 177 4577	
Marital status:	Unmarried; solid partnership; 2 daughters	E-mail:	Philip.furley@gmail.com	

Education

2021	Habilitation at the German Sport University Cologne
2012	PhD in Sport and Exercise Science (Date 18.12.2012; Grade: summa cum laude; best grade summa cum laude) German Sport University Cologne, Supervisor Prof. Dr. Daniel Memmert
2008	M.A. (Sport and Exercise Psychology; grade: 1.2; best grade 1.0) University of Heidelberg
2006-2007	Exchange program at San Diego State University. Master's program (2 semesters) in applied sport and exercise psychology (GPA: 3.94; best grade 4.00)

Positions and work experience

2020-heute	Senior lecturer (Oberststudienrat im Hochschuldienst A 14)
2017-today	Deputy head of the department of Training and Computer Science in Sport
since 2017	„Beamter auf Lebenszeit“ (established official for life)
2013 – today	Lecturer (tenured; Studienrat im Hochschuldienst) German Sport University Cologne, Institute of Cognitive and Team/Racket Sport Research (until March, 2017; since March 2017 at the Institute of Training and Computer Science in Sport)
2013-today	Treasurer at the Institute of Cognitive and Team/Racket Sport Research (until March, 2017; since March 2017 at the Institute of Training and Computer Science in Sport)
2009 – 2013	Research scientist at the German Sport University Cologne, Institute of Cognitive and Team/Racket Sport Research
2010-2017	Division leader “cognition and motivation” within the Institute of Cognitive and Team/Racket Sport Research
2010-2017	Member of the executive board at the Institute of Cognitive and Team/Racket Sport Research

2015-2016	Head of the scientific committee of 6 th International Teaching Games for Understanding (TGfU) Conference
2014-2015	Cash auditor of the German Association of Sport and Exercise Psychology (Arbeitsgemeinschaft Sportpsychologie; asp)

Awards

2023	1. place DOSB (German Olympic Association) science award (best habilitation in Germany; most prestigious award for sport and exercise research in Germany)
2013	TOYOTA-Science Award (1. place) for best doctoral thesis in social sciences at the German Sports University Cologne
2013	2nd place at the dissertation award of the German Association of Sport Sciences DVS (Deutsche Vereinigung für Sportwissenschaft) “Karl-Hofmann-publication award”
2008	2nd place Hermann-Rieder-Price for best Master Thesis on a sport scientific subject of the University of Heidelberg
2006-2007	San Diego State University: Dean’s List Fall 2006 und Spring 2007 (among 10 percent of best students)

2014	German Research Foundation (DFG) grant ME 2678/11.1 Inattentional Blindness and Attention: Exploring the Mechanisms Underlying Failures of Awareness: (Co-

Investigator; Principal Investigator: Daniel Memmert and Cooperation Partner Daniel Simons) (180.000 €)

2014	Grant from EA sports: transfers of gaming to sports: (Co-Investigator; Principal Investigator: Carsten Möller) (17.000 €)
2012	Internal Funding from the German Sports University: Brain Functions after Sports-Related Concussion (Co-Investigator; Principal Investigator Ingo Helmich) (10.000 €)
2011	German Academic Exchange Service (DAAD) travel grant: 26th Association for Applied Sport Psychology (AASP) Annual Conference in Honolulu, Hawaii (2.200 €)
2010	Cognitive diagnostics in elite table tennis (Co-Investigator; Principal Investigator: Daniel Memmert) (6.000 €)
2006-2007	Scholarship within the exchange program between Germany and California, US at San Diego State University. (20.000 \$)

Supervision and Examiner of Thesis

2023-2026	Co-supervision of PhD Student Teariki Roos on Nonverbal Behavior in Rugby (with Dr. A. Nieuwenhuys; The University of Auckland, NZ; scholarship)
2017-2020	Co-supervision of PhD Student Fanny Zimmermann on Nonverbal Communication of Coaches (with Prof. Dr. O. Stoll; University of Halle, Germany; external stipend)
2014-2017	Supervision of Carina Kreitz's PhD on Inattentional Blindness (won several national awards; Official Supervisor Prof. Memmert (only Professors can supervise PhDs in Germany))
2013-today	Examiner on 5 PhD defenses
2009-today	> 100 supervised Diplom und Masterthesis.
2009-today	> 150 supervised Bachelorthesis
2009-today	25 supervised Staatsexamensarbeiten (Lehramt; state certificates for teachers)

Teaching

Modul Leader

2022-today	Leader of the module „Movement theories and sports practices “ within the B.Sc. program in Physical Education (Elementary and special needs schools) at the German Sport University
2022-today	Leader of the module „Movement and physicalness in culture, society, and individual behavior “ within the B.Sc. program in Physical Education at the German Sport University
2016-today	Leader of the module and curriculum development „Emotion, Cognition, and Performance“ within the 2016 established M.Sc. program in Psychology of Sport and Exercise at the German Sport University

2015-today Leader of the module and curriculum development „research methods“ within the M.Sc. program in game and performance analyses at the German Sport University

Teaching within the teacher education program:

2014-2015 project seminar on scientific learning in school (Forschendes Lernen im Schulsport)

2014-today practical course on playing games at school (Spielen in der Schule)

Teaching within the Master's course „Psychology of Sport and Exercise“:

2016-today Lecture “Emotion, cognition, and performance” (in English)

2016-today Übung “Emotion, cognition, and performance” (in English)

2016-heute Seminar “Emotion, cognition, and performance” (in English)

Teaching within the Diploma course

2009-2010 Cognition in sports (Seminar)

Teaching within the Bachelor Programs

2010 Research methods within performance sports (Seminar)

2011-2015 Mental coaching (Seminar)

2011-2015 Basic research methods (Seminar)

2010-2011 Project seminar on sport, experience, and movement (Seminar)

2013-today An integrative approach to teaching games (Practical Course)

2013-today Lecture: Basics in training science
25% of lecture on teaching and training in sport games

2010-today Lecture: „Aims, content, and methods of training and coaching sport games“ (10% of lecture on memory and attention in sports)

Editorial and Reviewer Activities

Editor

Associate Editor for **International Review of Sport and Exercise Psychology** [IF 2022: 5.5] (since 2024)

Associate Editor for **International Journal of Sport and Exercise Psychology**, [IF 2022: 3.3] (2022-2025)

Associate Editor for **Frontiers in Psychology**, [IF 2022: 3.8] (since 2022)

Editorial Board **Journal of Nonverbal Behavior** [IF 2026: 1.7] (since 2026)

Editorial Board **International Journal of Performance Analysis in Sport** [IF 2023: 1.9] (since 2024)

Guest-Editor of the Teaching Games for Understanding Conference Supplement from the German Sport University. Volume 87, Supplement 1, *Research Quarterly for Exercise and Sport*, 87:sup1, Si-S120, DOI: 10.1080/02701367.2016.1213610 [IF: 1.57]
